Normal movement of teams from HPL 3 to HPL 4 will occur where possible. The top two teams from adjoined pools will move up, and the bottom two teams from adjoined pools will move down. In the case of the top 12 as they are in 4 pools of 3, the third place team in each of these pools will move down and be replaced by the four teams moving up from pools 5 and 6. There will be a special exception in the divisions that have teams in the top 4 pools that will not play in HPL 4. In those divisions multiple teams may move in to the top 12 to fill the vacated positions. In the case of an odd number of teams being required to fill these pools, teams will be ranked on matches won, set percentage and then point percentage.
